Notes: These challenges are designed to be above and beyond what we do at boot camp. Go at your own pace and listen to your body. If you can't do it all, do fewer reps or break them up throughout the day. If it is not challenging enough increase the rep count or do a 2nd round. You can start the challenge on any day that you want. You can change up the various exercises to keep it fresh throughout the month. **Glute Bridges** - you can add a weight or you can do a leg extension, march them, leg up to the sky or golden gate. **Deadlifts** - you can do single leg. **Jumping Jacks** - stepping jacks, wacky jacks, split jacks, squat jacks, star jacks, etc. **Plank** - can be done from knees or toes. Can do twisting planks, plank jacks, hip dips, arm pass through, leg pass through, shoulder tap, side plank, plank to pillar (forearms), single arm lift, single leg lift, etc.
