

Dear Business Owner/Manager,

On Saturday, October 31st, Get You In Shape will proudly host the 17th Annual Coppel Special Olympics 5K — a beloved community tradition featuring a 1-mile fun run, and a chip-timed 5K. This event is the primary fundraiser supporting our local Coppel Special Olympics athletes.

Over the past 16 years, the Coppel 5K has raised more than \$145,000, funding uniforms, equipment, transportation, competition fees, and special recognitions like letter jackets at the annual banquet. In fact, this single event provides nearly 90% of the organization's annual funding — ensuring every athlete has the opportunity to train, compete, and thrive.

We invite your business to join us as a sponsor and community partner. Your support promotes confidence, inclusion, health, and life-changing opportunities for individuals with special needs right here in Coppel — while also providing meaningful visibility within our engaged, family-focused community.

Sponsorship levels and benefits are outlined on the attached page. We are grateful for support at any level, and every contribution makes a direct and lasting impact.

Beyond fundraising, the Coppel Special Olympics 5K brings our community together for a morning of celebration, encouragement, and unity. We would be honored to have your business represented at this inspiring event.

Thank you for considering a partnership with us. Together, we can continue empowering our local athletes and making the 17th Annual Coppel Special Olympics 5K our most impactful event yet.

With appreciation,

Brad & Cynthia Linder
